

Invitation

Training course "OFTP2," Odette File
Transfer Protocol 2"

Thursday October 25, 2018

Centralhuset Konferens (Central station),
Gothenburg

Welcome to learn more on OFTP2

Odette Sweden has since last year offered a new training on OFTP2 and we are pleased to invite you to our next course which has been further developed.

Our tutor is very experienced in EDI, Data exchange and File transmissions protocols and will give an overview as well as a detailed walkthrough of the protocols and codes.

Target group

The course will give you a general overview and basic understanding of Data exchange as well as a detailed walkthrough of the protocols and codes.

The expected audience would include IT-staff dealing with implementation or technical issues.

Welcome to an interesting and useful training course!

Ingrid Lundberg, Odette Sweden
