

Obtaining MMOG.np from Odette International

Go on line

<https://www.odette.org/mmog/information>

Determine if your company is a Member of Odette International

Odette member companies are entitled to a discounted price.

To be an Odette Member your company must be a member of one of the following Odette National Organisations - GALIA (France), Odette Czech Republic, Odette Spain, Odette Sweden, OSD (Turkey), SMMT (UK), VDA (Germany).

If your company is a member of one of these organisations but you do not yet have an authorised log-in to the Odette website, please register using your company email address (not a personal email address) and wait for authorisation.

If you already have an authorised log-in but have forgotten your password:

“Forgotten password” in the log-in window to obtain a new one.

Get MMOG.np Cloud licence

Important: Before purchasing a licence you will need to decide which type of licence is right for your company (see the Licensing chapter above). Purchases can be paid for immediately by credit card or subsequently by bank transfer (choice of payment method is made during check-out). Access to the application will be provided upon completion of the payment process.

Get MMOG.np Local licence

Important: Before purchasing a licence you will need to decide which type of licence is right for your company (see the Licensing chapter above). Please note also that the price of a local licence does not include any support for installation. Purchases can be paid for immediately by credit card or subsequently by bank transfer (choice of payment method is made during check-out). Software download will be provided upon completion of the payment process.

Choose the solution that's right for your business

MMOG.np is available as a cloud based application (MMOG.np Cloud). It can also be locally installed on stand-alone computer or in a company intranet (MMOG.np Local) depending on your preference or company policy.
